On Wednesday, October 30, USD116 administration was alerted of a report regarding student safety involving a substitute teacher at Leal Elementary. Following the report, the Leal Elementary principal immediately contacted the Department of Children and Family Services (DCFS) and the appropriate family members. The substitute teacher in question was removed from USD116 grounds and never returned to teach for the Urbana School District. Leal administration cooperated fully with DCFS and local law enforcement in their investigation of the matter. The safety and security of all of our students remain our paramount concern during both in-person instruction and during this time of remote learning. We will continue to do all that we can to ensure that all students are safe while attending Urbana Schools.
